WHEREAS the City of Riverside has conditioned the approval of such project by requiring the granting of an avigation easement over the Grantor's property;

NOW, THEREFORE FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, GRANTOR does hereby grant to the CITY OF RIVERSIDE, a municipal corporation of the State of California, hereinafter referred to as "Grantee", its successors and assigns, for the use and benefit of the public, including, but not limited to, the United States Armed Forces, a perpetual easement and right of flight for the passage of aircraft in the airspace above the surface of the Grantor's property described hereinabove, however, not below the minimum levels permitted by State or Federal laws or regulations, together with the right to cause in said airspace, such noise, sound waves, dust, smoke, fumes and other related conditions that may be inherent in the operation of aircraft. Said perpetual easement and right of flight over Grantor's property shall not permit any such flights below the minimum flight altitudes for aircraft as established by the appropriate governmental agencies. "Aircraft" is defined for the purposes of this instrument as any contrivance now known or hereinafter invented, used or designed for navigation of or flight in the air and which is registered and/or licensed for such flight or navigation with the appropriate governmental agency.

subject to increases in its use and operation, including present and future noise, sound waves, dust, smoke, fumes and related conditions, and, except as set forth hereinbelow, Grantor hereby fully waives, remises and releases any right or cause of action which Grantor may now or in the future have against Grantee due to such noise, sound waves, smoke, and other related conditions that may be caused by aircraft landing at or taking off from, or operating at or on March Air Force Base or other airport or air facility which is or may be located at or near the site of said presently existing March Air Force Base. Said waiver and release shall include claims known or unknown for damages for discomfort, inconvenience, enjoyment of property, diminution of property values, nuisance or inverse condemnation.

The foregoing grant of easement shall not otherwise inhibit the use and enjoyment of Grantor's property for any lawful purpose, whatsoever.
